

Oconee County Republican Party

OCRCP Sponsors Association

The OCRCP Sponsors Association was formed several years ago for the many Oconee citizens who believe it is important for the Republican Party to have a visible presence in Oconee County and is willing to help fund the expenses of visibility through the payment of annual membership dues.

OCRCP maintains a modest year-round headquarters as an essential part of its effort to be visible to the public and to provide year-round support to its elected officials and candidates. The OCRCP HQ is used for public events such as its quarterly breakfast forums, campaign events, OCRCP and OCRW business meetings, and is available to Republican elected officials and candidates for a variety of uses. HQ rent and utilities are only one of several continuing expenses of maintaining a visible Republican Party presence in Oconee County.
